MEMORANDUM FOR THE RECORD

SUBJECT: CAT

At 4:15 p.m. on 12 December 1952, I talked with Mr. Adrian Fisher of the State Department and told him of the decision that Secretary Foster and DCI had made and that in reaching this decision they relied upon State Department recognizing the assignment of claim in the full amount with interest. Mr. Fisher said, "I have agreed with that and will push it through here." I again referred to the importance of getting interest, and he said that, yes, he understood and would so recommend. He further asked whether Mr. Dulles would support this if his brother asked him about it, and I told him he need have no fear on that score.
